PVC Wall Cladding Product Warranty

Jemiclad PVCu Wall Cladding

20 Year Product Warranty

Jemiclad warrants that if, due to defect your Jemiclad PVCu product requires replacement within 20 years from the date of this warranty being issued, anywhere across the globe, the defective product will be replaced for free of charge, contingent upon the following:

- That the products have been installed by a Jemiclad certified Elite installer inline with the Jemiclad Installation Guidance.
In the event that the installation guidance has not been followed or an Elite installer has not been used the Jemiclad warranty will be void.
- That the Jemiclad warranty application has been submitted within 1 month of the completed installation.
- That the Jemiclad has not been subject to chemical or physical abuse and has only been subject to normal wear and tear.
- The product has been purchased through the approved network of suppliers.
- All claims made under this Jemiclad warranty shall be investigated by a Jemiclad representative.
- Jemiclad's liability is limited to supplying sufficient materials free of charge to replace those found to be defective. Jemiclad are not liable to cover the associated labour costs.

This warranty does not cover adhesion failure due to structural movement, substrate deterioration, nor does it cover spillage of chemicals that Jemiclad has limited or no resistance to. The warranty doesn't extend to marking, burning, staining or damage to or deformation of the surface due to circumstances beyond Jemiclad's control, including failure due to alkaline reactions, vapour pressure or excessive moisture.
